

Pathway2Careers Algebra I Table of Contents

1. Algebra Foundations

| | Lesson Topic | CCSS | Occupation |
|------------|--------------------------|-------------|--|
| Lesson 1.1 | Unit Analysis | N.Q.1 | Dental Laboratory Technicians |
| Lesson 1.2 | Modeling with Quantities | N.Q.2 | Terrazzo Workers and Finishers |
| Lesson 1.3 | Precision and Accuracy | N.Q.3 | Environmental Science and Protection Technicians |
| Lesson 1.4 | Structure of Expressions | A.SSE.1a | Economics Teachers, Postsecondary |

2. Solving Equations

| | Lesson Topic | CCSS | Occupation |
|------------|--|---------------------------|--|
| Lesson 2.1 | Writing Linear Equations | A-CED.1 | Credit Counselors |
| Lesson 2.2 | Solving Linear Equations with a Variable on One Side | A-REI.3, A-CED.1, A-REI.1 | Veterinarians |
| Lesson 2.3 | Solving Linear Equations with a Variable on Both Sides | A-REI.3, A-CED.1, A-REI.1 | Bookkeeping, Accounting, and Auditing Clerks |
| Lesson 2.4 | Literal Equations and Formulas | A-CED.4, N-Q.1 | Electricians |

3. Solving Inequalities

| | Lesson Topic | CCSS | Occupation |
|------------|---|------------------|---|
| Lesson 3.1 | Solving Linear Inequalities in One Variable | A-REI.3, A-CED.1 | Property, Real Estate, and Community Association Managers |
| Lesson 3.2 | Compound Inequalities | A-REI.3, A-CED.1 | Billing and Posting Clerks |
| Lesson 3.3 | Absolute Value Inequalities | A-CED.1, A-REI.3 | Exercise Physiologists |
| Lesson 3.4 | Solving Inequalities Graphically | A-REI.3, A-CED.1 | Business Operations Specialists, All Other |

4. Functions and Linear Functions

| | Lesson Topic | CCSS | Occupation |
|------------|--------------------------------|------------------------------------|---|
| Lesson 4.1 | Rate of Change | F-IF.6 | Fitness Trainers and Aerobics Instructors |
| Lesson 4.2 | Forms of Linear Equations | F-IF.9, F-LE.1b | Geological and Petroleum Technicians |
| Lesson 4.3 | Graphing Linear Functions | A-REI.10, F-IF.6, A-CED.2, F-IF.7a | Hydrologists |
| Lesson 4.4 | Scatter Plots and Lines of Fit | S-ID.6a, S-ID.6c | Cost Estimators |
| Lesson 4.5 | Analyzing Lines of Fit | S-ID.7, S-ID.6a, S-ID.8, S-ID.9 | Financial Managers |

5. Systems of Equations and Inequalities

| | Lesson Topic | CCSS | Occupation |
|------------|---|----------------------|-----------------------------------|
| Lesson 5.1 | Solving Systems of Linear Equations Algebraically | A-REI.6, A-CED.3 | Software Developers, Applications |
| Lesson 5.2 | Solving Systems of Linear Equations Graphically | A-REI.6, A-CED.3 | Chefs and Head Cooks |
| Lesson 5.3 | Linear Inequalities in Two Variables | A-REI.12, A-CED.3 | Soil and Plant Scientists |
| Lesson 5.4 | System of Linear Inequalities | A-REI.12, A-CED.3 | Industrial Engineers |

6. Exponents and Exponential Functions

| | Lesson Topic | CCSS | Occupation |
|------------|---------------------------------|----------------------|------------------------------|
| Lesson 6.1 | Exponential Growth | F-LE.1c, F-IF.8b | Animal Scientists |
| Lesson 6.2 | Exponential Decay | F-LE.1c, F-IF.8b | Forensic Science Technicians |
| Lesson 6.3 | Graphing Exponential Functions | F-IF.7e, F-IF.4 | Accountants and Auditors |
| Lesson 6.4 | Solving Exponential Equations | A-CED.1, A-SSE.3c | Epidemiologists |
| Lesson 6.5 | Comparing Exponential Functions | F-IF.9, F-IF.8b | Insurance Sales Agents |

7. Sequences

| | Lesson Topic | CCSS | Occupation |
|------------|-------------------------------|-----------------|--|
| Lesson 7.1 | Understanding Sequences | F-IF.3, F-BF.1a | Biological Science Teachers, Postsecondary |
| Lesson 7.2 | Arithmetic Sequences | F-BF.2, F-BF.1a | General and Operations Managers |
| Lesson 7.3 | Geometric Sequences | F-BF.2, F-BF.1a | Actuaries |
| Lesson 7.4 | Recursively-Defined Sequences | F-BF.1a, F-IF.3 | Sociologists |

8. Polynomials

| | Lesson Topic | CCSS | Occupation |
|------------|-----------------------------|-------------|------------------------------|
| Lesson 8.1 | Using Polynomials | A-SSE.1a | Astronomers |
| Lesson 8.2 | Operations with Polynomials | A-APR.1 | Operations Research Analysts |

9. Quadratic Functions and Equations

| | Lesson Topic | CCSS | Occupation |
|------------|-----------------------------|-------------|-------------------|
| Lesson 9.1 | Solving Quadratic Equations | A-REI.4b | Physicists |

| | | | |
|------------|---|------------------|----------------------------------|
| Lesson 9.2 | Graphing Quadratic Functions | F-IF.7a, F-IF.8a | Aerospace Engineers |
| Lesson 9.3 | Modeling with a Quadratic Function in Vertex Form | A-CED.2, F-IF.5 | Atmospheric and Space Scientists |
| Lesson 9.4 | Comparing Quadratic Functions | F-IF.9, F-IF.4 | Industrial Production Managers |
| Lesson 9.5 | Linear-Quadratic Systems | A-REI.7 | Economists |

10. Graphing and Modeling with Functions

| | Lesson Topic | CCSS | Occupation |
|-------------|---|-------------------------|---|
| Lesson 10.1 | Piecewise-Defined Functions | F-IF.7b, F-IF.4 | Tax Preparers |
| Lesson 10.2 | Step Functions | F-IF.7b, F-IF.4, F-IF.5 | Cargo and Freight Agents |
| Lesson 10.3 | Operations on Functions | F-BF.3 | Film and Video Editors |
| Lesson 10.4 | Comparing Linear, Exponential, and Quadratic Models | F-IF.9, F-LE.3 | Appraisers and Assessors of Real Estate |

11. Radical Expressions and Equations

| | Lesson Topic | CCSS | Occupation |
|-------------|--------------------------------|-------------------------|----------------------------------|
| Lesson 11.1 | Solving Radical Equations | A-CED.1, A-REI.2 | Registered Nurses |
| Lesson 11.2 | Square Root Function | A-CED.2, A-REI.2 | Radiologic Technologists |
| Lesson 11.3 | Graphing Square Root Functions | F-IF.7b, F-IF.4, F-IF.5 | Mechanical Engineers |
| Lesson 11.4 | Inverse Functions | F-BF.4a | Wind Turbine Service Technicians |

12. Statistics

| | Lesson Topic | CCSS | Occupation |
|-------------|-----------------------------------|-------------|--|
| Lesson 12.1 | Measures of Center and Spread | S-ID.3 | Statisticians |
| Lesson 12.2 | Representing Data with Box Plots | S-ID.1 | Computer and Information Systems Managers |
| Lesson 12.3 | Representing Data with Histograms | S-ID.1 | Financial Examiners |
| Lesson 12.4 | Using Two-Way Frequency Tables | S-ID.5 | Social Science Research Assistants |
| Lesson 12.5 | Analyzing Data | S-ID.2 | Market Research Analysts and Marketing Specialists |
