

Curriculum Implementation Process

This checklist outlines key steps to follow in the effective implementation of the P2C curriculum.

Ensure Access

- Access the P2C LMS at curriculum.pathway2careers.com/lms/login.
- Log into the P2C LMS and explore basic features.

Get Familiar with the P2C Curriculum

- Watch the curriculum videos curriculum.pathway2careers.com/implementation
- Review the P2C Math Implementation Guide [here](#).

Get Familiar with the P2C Learning Management System (LMS)

- Watch the LMS videos curriculum.pathway2careers.com/guides
- Review the P2C LMS Getting Started Guide [here](#).

Attend Help Sessions

- Request and schedule group help sessions to address questions and issues [here](#).
- Attend sessions, ask questions, and get assistance with issues.
- Request and schedule additional sessions (as needed).

Evaluate Use

- Conduct an internal evaluation of school/district use of the P2C LMS and curriculum.
- Review user reports from P2C that summarize school/district use.

Assess Implementation of Curriculum

- Collect and review instructor feedback and student performance statistics.
- Review reports from P2C on instructor feedback and student performance statistics and assess successful implementation of the P2C curriculum.
